Strand Closed Pendant by Muuto

Designed by Benjamin Hubert, the Strand Closed Pendant is an ideal statement piece in any room. Strand Closed is ideal hung low over a dining table, creating a warm and ambient setting. Alternatively, Strand Closed pendant can be teamed with different sizes of the Strand Open Pendants to create a stunning cluster of lighting.

The semi-translucent shade provides a soft diffused light in addition to direct light through the small openings at the top and bottom of the shade. The Strand shades are made from a steel frame covered with a polymer cocoon resin outer layer. Strand pendants gain their name from the fine strands visible within cocoon like coating.
