Le Klint Lamella 3 Pendant

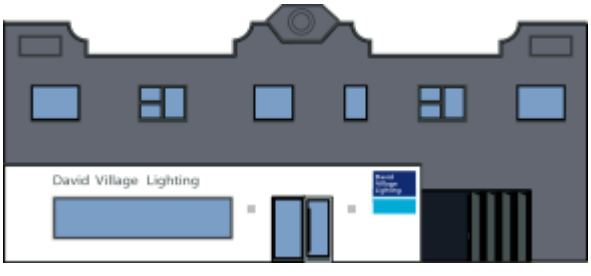

Designers Jonah Takagi & Hallgeir Homstvedt drew inspiration for the Lamella 3 pendant from the underside of a mushroom. Using Le Klint's infamous pleating technique, the pendant's folds reference the mushroom's underbelly. Le Klint reinstated their traditional technique 'PLICA' to produce the Lamella. The metal detailing at the top and bottom of the shade contrasts against the delicate-looking shade, adding an ornamental and contemporary aspect to the pendant.

The Lamella 3 pendant can be placed over a dining table, bathing the surrounding area in a soft and diffused light. This glare-free glow adds a warm light to the room, perfect for creating a cosy atmosphere in any space. Display with other pendants from the **Lamella Collection,** which look truly stunning as a group of mixed sizes, to create a striking feature in your home.

PRODUCT SPECIFICATION

Light Source:	1 x Max 40W E27 (Excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Ø33cm Height: 29cm Cable length: 300cm
