PRODUCT DESCRIPTION

Designer: Anderssen & Voll

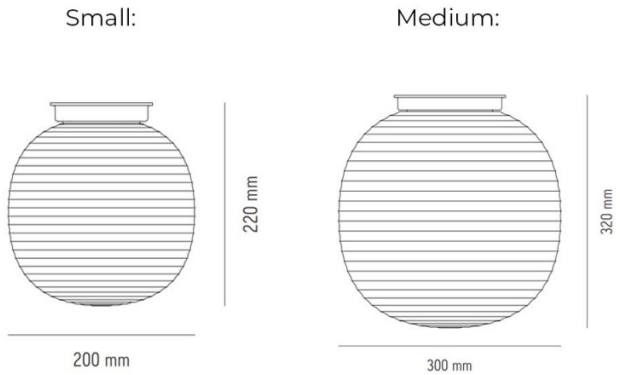

New Works Lantern Ceiling Globe Lamp

Inspired by traditional Chinese rice paper lanterns, the New Works Lantern Ceiling Light is a new take on a classic style. Designed by Andersson & Voll, Lantern features a black casted iron base, with a globe-shaped shade in frosted opal glass which illuminates interiors with a bright yet soft light - creating a calming environment, perfect for areas of relaxation such as bedrooms, dining areas and living rooms.

The Lantern collection including pendants, table and wall lights has grown to include a new ceiling light in two sizes. The resulting collection has broad appeal – with options suitable for small intimate spaces, all the way up to large open environments.
