PRODUCT DESCRIPTION

Designer: Pierre Charpin

HAY PC Portable table lamp

This cordless luminaire offers complete portability, allowing you to take ambient lighting wherever it's needed. The USB-C charging port ensures faster and more convenient recharging, while a replaceable battery extends the lamp's lifespan, reducing waste and increasing sustainability. With a three-step dimming function, the PC Portable can adapt to any setting, from soft mood lighting to functional illumination, making it perfect for dining tables, workspaces, patios, and more.

The translucent-shade variants, available in Slate Blue, Soft Mint, and Blush Peach, emit a gentle, diffused glow, ideal for creating a warm and inviting atmosphere. Meanwhile, the opaque-shade options in Soft Black, Cream White, Cool Grey, Olive, Fall Green, Iron Red, and Azure Blue provide focused downlighting, enhancing usability in workspaces or outdoor settings. Robust and splash-proof, the updated HAY PC Portable Table Lamp continues to be a stylish, durable, and sustainable lighting solution for contemporary living.
