PRODUCT DESCRIPTION

Designer: Sammode Studio

Sammode Studio Musset GR Wall Light

The Sammode Studio Musset GR Wall Light is a versatile lighting solution designed to bring charm and character to a wide range of spaces. Its IP68 rating ensures a robust, waterproof construction, making it suitable for indoor and outdoor use. With Sammode's distinctive approach to lighting, the Musset GR blends timeless elegance with reliable durability. It can be installed vertically or horizontally to meet a wide range of requirements.

The Musset GR Wall Light is characterised by its tubular design, which is combined with a coloured reflector and multi-perforated louvres. The reflector is available in four colourways: Petrol, Silver, Brass, and Copper. Two light sources are concealed within the glass body, casting a subdued, mellow glow when switched on. Display in any space that requires comfortable lighting and stylish design with an industrial essence.

Please Note: The Musset GR Wall Light can be supplied with Casambi dimming. Please contact us for more information and pricing.
