Sammode Studio Belleville Mini Wall Light

A smaller version of the **Belleville Suspension/Wall Light**, the Belleville Mini Wall Light offers the same contemporary, geometric design in a smaller size. Its compact form suits a wide range of spaces, making it an elegant choice for hallways, bedrooms, and living spaces. With an IP68 rating, it is also suitable for use in bathrooms and outdoors.

When switched on, the Belleville Mini produces a warm, inviting glow that highlights the luminaire's sculptural form. Its soft pool of light adds atmosphere without overpowering the room. A compact, functional and decorative wall light, the Belleville Mini combines practical illumination with timeless French design, showcasing Sammode's signature attention to quality and durability.

Please Note: The Belleville Mini Wall Light can be supplied with Casambi dimming. Please contact us for more information and pricing.
