PRODUCT DESCRIPTION

Designer: Normal Studio

Sammode Studio Monceau LED Suspension / Wall Light

The Sammode Studio Monceau LED Suspension/Wall Light is inspired by Haussmann flats in the chic districts of Paris. These flats are renowned for opting for a traditional herringbone pattern for parquet wood floors, which is mirrored in the chevron-patterned detailing. This industrial-style metal louvre was designed by Normal Studios, which reimagined Sammode Studio's signature tube luminaire for contemporary interiors.

When illuminated, the Monceau LED Suspension/ Wall casts warm, ambient lighting, highlighting the geometric design for a sense of depth and decorative appeal. Its IP68 rating makes it suitable for indoor and outdoor use, while its versatile design allows it to be installed horizontally and vertically. Display with the **Monceau Mini Wall Light** for a cohesive, decorative theme throughout the home.
