PRODUCT DESCRIPTION

Designer: Normal Studio

Sammode Studio Monceau Mini Wall Light

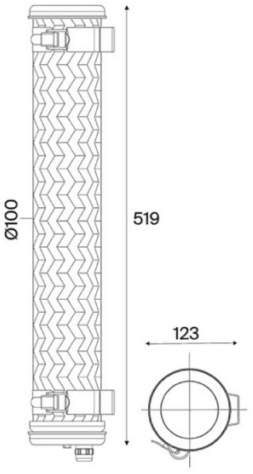

The Sammode Studio Monceau Mini Wall Light is a smaller version of the **Monceau Suspension/ Wall Light**. Designed by Normal Studio, the Monceau reimagines Sammode Studio's signature tube luminaire to suit contemporary, design-led interiors. A perforated metal louvre houses the tube and adds a decorative touch, with the chevron pattern throughout the design creating a timeless industrial style.

When illuminated, the geometric patterns on the casing are highlighted, adding depth and a subtle decorative touch to the interior. The Monceau Mini Wall Light produces a warm, glare-free glow for a comfortable atmosphere. With an IP rating of 68, it is suitable for use in indoor and outdoor spaces. Display it in a dining room, in a hallway, beside a pool, or anywhere that calls for decorative ambient lighting. The Monceau Mini Wall Light is particularly effective when installed in pairs, framing a bedside or doorway for an ornamental touch that creates a sense of balance.

Please Note: The Monceau Mini Wall Light can be supplied with Casambi dimming. Please contact us for more information and pricing.
