PRODUCT DESCRIPTION

Sammode Studio Vendome Mini Wall/Suspension Light

Sammode Studio created the Paname collection to reflect the City of Light, which the Vendome Mini wall/suspension light is a part of. This smaller Vendome is a jewel within its own right; reflecting the roads which lead into the famous Parisian square which is renowned worldwide for its fine jewellery commerce.

The interlocked metal design is not only decorative but also provides an impressive luminescence with its brushed reflector complete with LED lamps. The two colour finishes provide very different feels; brass envelopes rooms in a warm glow while the petrol/coal finish gives an industrial, modern feel.

The Vendome comes complete with its cable, light source and wall outlet and has an IP65 rating, meaning it can be used in both wet and outdoor environments.
