PRODUCT DESCRIPTION

Designer: Yann Kersalé

Sammode Studio Qanik Wall Light

The Qanik wall light by Sammode Studio is a sparkling myriad of faceted light. Designed by Yann Kersalé for the LÖ collection, the polar inspiration for the light is brought to life by the integrated LED module light which emits a brilliant and magical luminosity.

Available in two sizes, the Qanik can be mounted horizontally or vertically, and with an IP rating of 68 it is suitable for both indoor and outdoor use. The Qanik can be used as a beautiful bathroom light which blends into a room like a mirrored art object when it is off.

Sammode Studio's Qanik wall light comes complete and ready to install including the cable, light source and wall fixings and are manufactured and assembled in full at their Châtillon-sur-Saône production plant in the Vosges region of France.
