PRODUCT DESCRIPTION

Sammode Studio Rimbaud GR Wall & Suspension Light

The iconic Rimbaud GR wall and suspension light from Sammode Studios is perfect for lighting larger spaces. Evolved from Sammode Studios' industrial history, this light adds charisma and character whether it is suspended above a dining table or mounted on the wall in an office space.

Attention to the fine details of design is evident even in the suspension kit, with its fine steel wires the Rimbaud GR appears to charmingly float in mid air, revealing every aspect of the design. When wall mounted, the glass body reveals the reflectors and louvers which soften the light output and create a warm and cosy environment.

Offered in five colour finishes and both dimmable and non dimmable, the Rimbaud GR is an adaptable light and with a high IP rating of 68, this luminaire can be used in bathrooms, by the front door or to light an outdoor eating space.

The Rimbaud GR comes complete with both the suspension and wall kit.
