PRODUCT DESCRIPTION

Designer: Dominique Perrault & Gaëlle Lauriot-Prévost

Sammode Studio Kyhn LED Suspension/ Wall Light

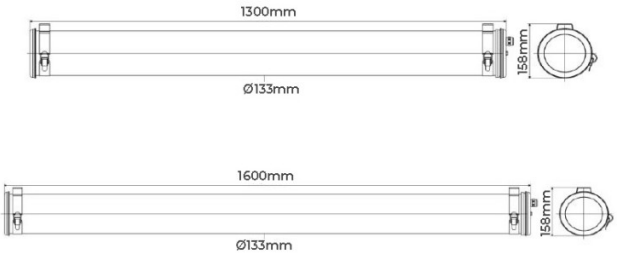

Designed by Dominique Perrault & Gaëlle Lauriot Prévost, the Sammode Studio Kyhn LED Suspension is characterised by its raw, contemporary aesthetic. A stainless-steel metal louvre houses a cylindrical diffuser, creating a striking contrast between industrial design and delicate lighting. The cylindrical design offers 360° lighting for an even spread of light in all directions.

With an IP rating of 68, the Kyhn Suspension is suitable for indoor and outdoor use. It can be mounted as a suspended light fitting, or as a wall or ceiling light. This versatility, in addition to two size options, allows the suspension to fit a wide range of spaces, from dining rooms to libraries to patios. The mellow light cast by the Kyhn creates a cosy, intimate atmosphere, perfect for both residential and commercial environments.

Please Note: The Kyhn Suspension/Wall Light can be supplied with Casambi dimming. Please contact us for more information and pricing.
