## PRODUCT DESCRIPTION

**Designer:** Jehs + Laub

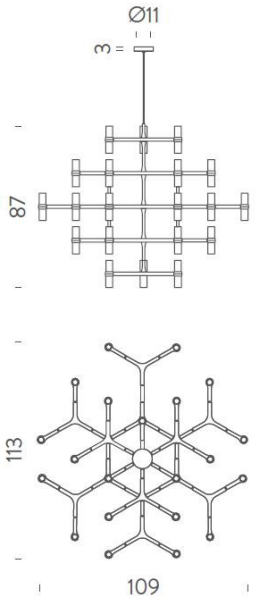

### Nemo Lighting Crown Major Chandelier

The Nemo Lighting Crown Major Chandelier brings a contemporary edge to the classic candle chandelier. Designed by Jehs + Laub and inspired by the delicate geometry of snowflakes, its sculptural, modular structure creates a striking focal point. With 30 light bulbs arranged across its distinctive framework, the Crown Major combines the presence of a traditional chandelier with a modern aesthetic.

The Crown Major Chandelier is available in black, white, gold-painted, gold-plated, black-plated, or polished aluminium finishes, complementing contemporary interiors in residential and commercial spaces. When illuminated, the sandblasted glass diffusers soften light for a glare-free glow and a comfortable ambience. This warm lighting, paired with the chandelier's sculptural appeal, makes it well-suited for use above dining tables or in entrance halls to create a captivating display.
