Sammode Studio Pierre Guariche G30 Floor Lamp

Originally named ‘The Kite’ by designer Pierre Guariche, the G30 Floor Lamp by Sammode Studio makes a striking addition to any interior. Its sculptural shade, crafted from lacquered perforated steel, evokes the sail of a boat and creates a sense of escape and relaxation. A high-grade metal base and reflector produce a soft, diffused glow. This glare-free lighting is perfect for creating a comfortable and inviting atmosphere in dining rooms, living areas, and studies.

Available with either a contrasting black-and-white shade or a monochrome white finish, Pierre Guariche’s original design retains its high-quality construction and light output while incorporating the latest technology. All Sammode Studio luminaires are manufactured, assembled and packaged at the company’s production plant in Châtillon-sur-Saône, in France’s Vosges region.
