PRODUCT DESCRIPTION

Designer: Roberto Paoli

Nemo Lighting Tru Pendant Horizontal

True to its name, Tru is a minimalist linear luminaire, with a double emission that can be uplight, downlight or both. Made with heads in injection molded polymer and a body of extruded aluminium. The Tru Pendant Horizontal is available in a black, titan grey or white finish. Finally, you can select a colour temperature for your suspension, choosing between 2700K or 3000K. A stylish luminaire, ideal for all occasions and settings, Tru can be installed above a dining table as well as a meeting room. The suspension can also be dimmed, using Push to make dimming systems either by a wall fitted switch or using the integrated touch dimmer on the body of the light (for low hanging installations).

PRODUCT SPECIFICATION

Light Source: 2 x 33W, 2700K/3000K, 1765 lumens
