On Lines Table Lamp by Nemo Lighting

A playful and colourful table light, the On Lines, is versatile light designed by Jean Nouvel. Nouvel created a table lamp, with diffusers in different shapes and colours, giving you the choice to arrange them whichever way you want. The light is available by Nemo Lighting, in two versions: a white base and coloured diffusers or a black base with neutral diffusers. The configurations are endless!
On Lines is dimmable, a touch dimmer is located on the base and you can switch the light on or off by pushing the dimmer, in the middle of the line, or keep pressed to dim the light.
