Bover Garota Catenary S/27/4L Outdoor

Inspired by the shell of a sea urchin, the Garota Catenary Outdoor Lights have a distinctive design, with a hand woven shade crafted from synthetic fibres to encase the LED light source within. The organic form blends in with nature and creates a warm, diffused canopy of light. The possibilities are endless with the Garota Catenary, the installation brings a touch of playfulness to your space, its hanging lights reminiscent of hanging lanterns.

Bover Garota Catenary S/27/4L would be a beautiful addition to a courtyard, generating a special and intimate environment to socialise. Areas such as patio and decking areas would benefit from a canopy of lights to bring a welcoming atmosphere to an outdoor space. This catenary is ideal for both private and public spaces.
