### Bover Garota Catenary S/27/4L Outdoor

Inspired by the shell of a sea urchin, Garota has a distinctive design of woven fibres to encase the glowing lamp within. The organic form blends in with nature and creates a warm, diffused canopy of light.

The Bover Garota brings a touch of playfulness, its hanging lights reminiscent of hanging lanterns or festoon lights - making an event of everyday living.

Garota Catenary would be perfect for making a courtyard a special and intimate place to entertain and socialise. Areas such as patio and decking areas would benefit from a canopy of lights to bring a welcoming atmosphere to an outdoor space.
