Bover Mediterrania S/105 Pendant

To pay homage to the Mediterranean breeze, the elegant and graceful ribbon shade appears to float in the air. Bover's Mediterrania pendant creates a warm ambience in low light and crisp white light in the day, making this design ideal design for everyday living.

Bover's Mediterrania was designed by Alex Fernández Camps in 2019, the collection consists of two variations: a single and double tier of flowing ribbon shades. Mediterrania is perfect for creating sufficient amounts of light to areas of task like kitchen/dining rooms, it also has the ability to create a cosy atmosphere with its ribbon diffuser.
