PRODUCT DESCRIPTION

Designer: Benedetta Tagliabue

Bover Domita M/36 Table Lamp

The Domita M/36 table lamp is a beautiful combination of art and light, the lamp is handmade and formed of wooden slats which bend and curve to create a cocoon over the light source and result in a unique lighting design. This protective dome shade helps to diffuse the light output, creating an inviting ambience in your room whilst still providing enough illumination to work as a functional lamp. When illuminated, the light protrudes through the gaps in the wooden diffuser and creates a beautiful shadow effect. But even when not switched on, the Domita M/36 still sits proudly as a sculpture in your space.

Domita M/36 Table Lamp is incredibly versatile, offering a neutral colour pallet and understated size, making it easy to integrate into a multitude of interior design styles. The design boasts a handle which allows easy movement from room to room, creating beautiful ambience exactly where it's needed.

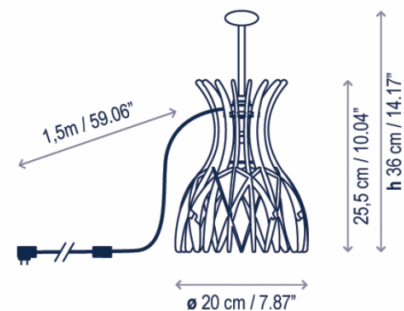

PRODUCT SPECIFICATION

Light Source: 1 x Max 8W LED GU5.3 (excluded)

IP Code: 20
