PRODUCT DESCRIPTION

Ravello LED Reader by Astro

A double emission LED wall light, the Ravello Reader is available by Astro Lighting. The wall light can be your bedside reading companion, and is ideal for both private and commercial settings. The body is available in a bronze, matt nickel or polished chrome finish and is matched with a Drum 200 fabric shade in white. The shade is also available in a black, putty or oyster finish, please [contact us](#) for further information on pricing.

The secondary light source benefits from high power LED technology and you can adjust the spotlight to your desired direction. The light can be tilted up to 90° or rotated up to 330°.
