### PRODUCT DESCRIPTION

#### Palermo 600 LED by Astro

A beautiful and stylish bathroom wall light, the Palermo 600 is part of the Palermo range by Astro Lighting. Palermo 600 benefits from an LED strip, integrated, emitting 8.1W. The light has polished chrome base and edges and complimented by a white polycarbonate diffuser. An IP44 allows you to install the Palermo in all interior spaces, including bathrooms (zone 2 and 3). Also suitable for mounting on flammable material. The bathroom wall light looks great around a bathroom sink and can be mounted either horizontally or vertically. The light is also available in a slightly larger version, Palermo 900, with a length/height of 90cm.
