Buster and Punch Caged 1.0 Large Ceiling Light

The [Caged collection](#) by Buster and Punch is designed with the unique and technologically advanced Buster Bulbs in mind. The first designer LED bulb uses 1/50th of the energy which a conventional bulb uses. The matt black metal frame encases the light source of the 1.0 large ceiling light which emits a warm and soft glow.

Ideal for use in social spaces such as the living room or kitchen, the Caged 1.0 large ceiling light is fully dimmable (when connected to an LED capable dimmer) and can be used as a statement piece on its own or with other Caged lights to create an industrial yet stylish lighting centerpiece.

Available in either white or black marble.

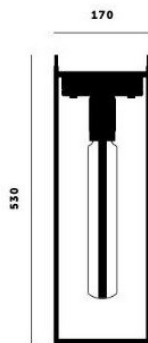

IP Code: 20

Dimming: Dimmable via mains phase dimming

Dimensions:

Height: 530cm

Width: 170cm
