Buster and Punch Hooked 1.0 Nude Pendant Light

The Hooked 1.0 Nude pendant light by Buster and Punch is made from solid metal and provides a simple yet effective aesthetic. The hooked cord can be adjusted to change the length of the pendant, and can be removed and reinstalled to move the pendant around furniture. Buster and Punch's Hooked 1.0 Nude pendant comes complete with the first designer LED bulb – the Buster Bulb – which casts a soft and warm light. This decorative bulb consumes just 1/20th of the energy of traditional bulbs and has a lifespan of 30,000 hours.

Great used as a single statement pendant, the Hooked 1.0 Nude is also perfect for either a linear display of multiple pendants over a breakfast bar or a staggered grouping of pendants over a dining table. Choose from a suspension colour of brass, steel, or smoked bronze along with a bulb colour choice of crystal, gold, or smoked to complete the suspension configuration. The Hooked collection also includes a shaded version, and configurations of 3 or 6 pendants.
