Buster and Punch Hooked 1.0 Pendant Light

Part of the [Hooked collection](#) by Buster and Punch, the 1.0 suspension light comes with a shade in a choice of two colours, which is made from solid metal. This simple yet effective pendant can be lengthened and shortened by hooking the cord at a desired distance from the ceiling rose to highlight your favourite chair, provide task lighting, or illuminate a kitchen island. The Hooked 1.0 pendant can be used singularly as a spotlight or grouped in either linear or staggered form to create a beautiful cascade of warm and comforting light.

Choose from a small or large shade to suit the size of your space and configure the colouration from graphite or stone shade with either steel, brass, or smoked details. Additional Buster Bulbs, which have been updated from polycarbonate to a new glass version, can be purchased separately – for more information, please [contact us](#).
