Buster and Punch Heavy Metal Pendant Light

A single suspension light from Buster and Punch, the Heavy Metal Pendant provides a choice of six metal finishes: steel, brass, black, burnt steel, gun metal, and smoked bronze. As well as three Buster Bulb finishes: crystal, gold, and smoked. The Buster Bulb is the first designer LED bulb, using just 1/20th of the energy of a traditional bulb, and has a lifespan of 30,000 hours.

The Buster and Punch Heavy Metal Pendant works great as a single lighting solution or can be displayed in multiple compositions to create a linear display over a breakfast bar or dining table. The light source emits a warm and comfortable glow and is dimmable when used with an LED-capable dimmer.
