PRODUCT DESCRIPTION

Designer: Massimo Minale

Buster and Punch Hero Chandelier Light

Two styles of chandeliers in one, the Buster and Punch Hero Light can have the pendants positioned through the metal ring or hanging through the center. With a choice of two ring colours (graphite or stone), three metal finishes (steel, brass or smoked bronze) and a choice of three colours of Buster Bulb (crystal, gold or smoked), the Hero chandelier can be edited to personal preferences and tastes to compliment the interior décor of any room.

Coming complete with six Buster Bulbs, which are the first designer LED bulbs that use just 1/20th of the energy of a traditional bulb and have a lifespan of 30,000 hours, the Hero chandelier is designed to be a true focal point – the hero of any room. Providing a soft and ambient glow, the Hero chandelier is perfect in a study and living or dining room.

The industrial style Hero chandelier is designed to work in harmony with Buster and Punch's other lighting ranges such as the Hooked, Heavy Metal, and Caged collection.
