PRODUCT DESCRIPTION

Designer: Massimo Minale

Buster and Punch Hooked Wall Light

The Buster and Punch Hooked wall light is made from solid metal and has matte rubber detailing. The pendant length can be adjusted to suit at a maximum length of 45cm, and hooked to create interest. It is perfectly used as a bedside light but also works equally as well in living areas to highlight a piece of art or a bar.

The Hooked wall light comes in a choice of either a small or large shade with steel, brass, or smoked bronze detailing and a choice between graphite or stone shade and wall base. Buster and Punch's Hooked wall light can be modified to match any interior and adds an edgy feel to interior design.

With an industrial style typical of the brand's design aesthetic, the Hooked wall light works in harmony with the other products in Buster + Punch's [Hooked collection](#).

Additional Buster Bulbs, which have been updated from a polycarbonate to a new glass version, can be purchased separately – for more information, please [contact us](#).
