Artemide Tolomeo Mini Table Lamp

Artemide Tolomeo Mini Table Lamp keeps the same diffuser dimensions as the standard Tolomeo, with shorter arms for a reduced table format. Designed by Michele De Lucchi and Giancarlo Fassina, it uses clean and minimalist lines with an aluminium and steel structure.

The lamp head is adjustable in all directions and includes a stamped aluminium reflector for uniform light distribution. Its articulated arm system uses an innovative spring mechanism, allowing the lamp to be adjusted in height and tilt for flexible use across desks, side tables, and reading positions.

Artemide Tolomeo Mini Table Lamp is available in Aluminium, Black, and White. Best suited for desks, bedside tables, side tables, and smaller work surfaces where an adjustable table lamp is needed with the established Tolomeo form.
