Artemide Tolomeo Mini LED Table Lamp

The Artemide Tolomeo Mini LED Table Lamp is a modern take on a classic design. Its contemporary aluminium form features a fully adjustable, spring-balanced arm with a tiltable and rotatable diffuser, allowing users to direct light precisely where required. The LED light source produces a focused, evenly diffused light, perfect for use as functional lighting. With an integrated dimmer on the head, the light output can be adjusted to alternate between task and ambient lighting.

Characterised by its clean lines and minimalist form, the Tolomeo Mini LED Table Lamp perfectly blends functionality with aesthetics. Its instantly recognisable form exudes timeless elegance, suiting a wide range of interiors. Display in a home office, at a bedside, or in a reading nook, where precise lighting is essential. With a heavy base and a robust design, the Tolomeo Mini LED Table Lamp has been crafted to last a lifetime.
