## Artemide

### Tolomeo Micro LED Table Lamp by Artemide

The Tolomeo Micro LED table lamp is part of the iconic [Artemide Tolomeo collection](#) designed by Michelle de Lucchi and Giancarlo Fassina. This table lamp has a fully flexible body, with a sprung arm and a movable lampshade, you can point the light where needed, making it perfect as a reading/work lamp. The small size means you can use on small tables, shelves, desk and window sills and will take up minimal space.

The Tolomeo Micro LED table light can be used in many settings as the chic, aluminium finish looks good in many interiors. Wonderful for use in offices, lounges and bedrooms this table lamp can be used in professional and domestic interiors. Add a touch of Italian style to your room and match with other lights from the renowned collection to make a real impact.
