PRODUCT DESCRIPTION

Micro Recess Unswitched by Astro

Exactly the same as its sibling, the Micro Switched, this petite spotlight comes without an on/off switch. Stylish and discrete, the Micro is your ideal bedside reading companion. The light is available in 5 finish options and you can choose between matt black, matt white, matt nickel, matt gold or bronze. The spotlight also benefits by an LED integrated light source and can be dimmed dependent on control gear.

*Micro Unswitched require a 700mA constant current driver, **not included**.*
