PRODUCT DESCRIPTION

Astro Side By Side

Side by Side is ideal for bedrooms, by the bedside for both reading and room lighting. The wall light has a double light source, a wall light with a retrofit LED light and a Cone 180 shade in three fabric colours. The secondary lamp is an integrated LED spotlight, that you can direct as you wish. The wall fitting of the Side by Side light is available in a matt nickel, matt black or bronze finish option. The spotlight can be tilted up to 90° and rotated up to 330°. Both light sources are switched, and there are two on/off switched on the wall fitting. You can choose to install your Side By Side in any direction, horizontal or vertical, with the spotlight to left or right, depending on your preference.

The Cone Shade 180 is included in the buying price
