Louis Poulsen AJ Floor Lamp Stainless Steel

PRODUCT DESCRIPTION

Designer: Arne Jacobsen

AJ Stainless Steel Floor Lamp by Louis Poulsen

To commemorate the 60th anniversary of the opening of the SAS Royal Hotel in Copenhagen, Louis Poulsen are re-releasing the AJ range in its original polished stainless steel finish. Iconic architect and designer Arne Jacobsen designed the stainless steel finish in 1957 as part of the overall design concept for the SAS Royal Hotel.

The Louis Poulsen AJ Stainless Steel floor lamp is now available and the polished finish reflects its surroundings and highlights minimalist but iconic shape. The floor lamp emits a directable light as the shade can be directed and will add a stylish and timeless touch to many different types of spaces. A true collector's item that is decorative, versatile and very functional to use as an ambient light and a reading/task lamp.
