PRODUCT DESCRIPTION

Designer: Ferm Living

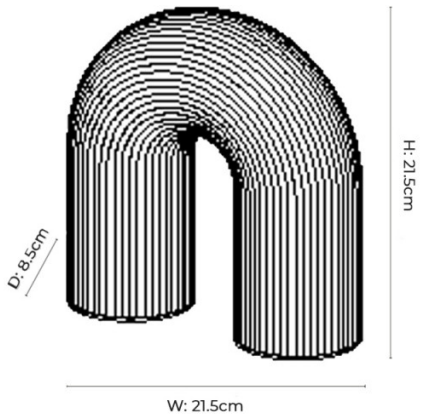

Ferm Living Vuelta Table Lamp

The Vuelta Table Lamp is a sculptural piece that is characterised by its arched form. Reminiscent of ancient columns, the curved diffuser is expertly handmade using mouth-blown glass. This glass shade gently diffuses light into a warm glow that surrounds the lamp in atmospheric lighting. The feet are made from solid brass, an ornamental detail that adds to the decorative aesthetic of the Vuelta.

The Vuelta Table Lamp features an adjustable dimmer switch, allowing you to create an ambience that matches any setting. The integrated LED blends beautiful design with carefully considered technology, offering an energy-saving lighting solution. The Vuelta Table Lamp can be used to create a cosy and welcoming atmosphere throughout the home, and is well-suited as a kid's nightlight or a subtle accent to illuminate a dark corner. Please note that as this is a handmade and mouth-blown product, some variations or small imperfections may occur in the glass.
