## NORR11

### Cloche Pendant Light by NORR11

The Cloche pendant series was designed by Rune Krøjgaard and Knut Bendik Humlevik and takes direct influence from the Cloche hat—a bell-shaped, fitted hat that became popular in early 1900s France. The beautiful Cloche pendant is made from aluminium, with a lovely brushed brass treatment that reflects the light to create a warm glow.

The pendant shade is characterised by its large opening, emitting an even light that is soft and gentle. The downward light of the pendant makes it perfect for hanging over tables and can be used as a singular stand-out light or as part of a series, suitable in many settings. The Cloche pendant light is available in 3 sizes, Cloche One, Cloche Two and Cloche Three, and with 3 colours to choose from, you will be able to find the perfect fit for your space.

Designer: Rune Krøjgaard & Knut Bendik Humlevik

IP Code: 20

Dimming: Dimmable via mains phase dimming

Dimensions:

Cloche One - Ø21cm, H 16cm
