Flos 2097/18 Chandelier

The Flos 2097/18 is the latest 2020 release as part of the Flos 2097 Chandelier collection. Originally designed by Gino Sarfatti in 1958, his iconic chandelier is available for the modern eye, now in a smaller size with 18 individual arms and lamps. The 2097/18 chandelier is extravagant and classic, making a bold statement in any room it is in.

With multiple colours available, you can choose the best fit for your décor and make a splash with your choice of a feature light. Also, choose between clear of frosted lamps to have your unique aesthetic. The size makes it suitable for smaller spaces and works fantastically in the home. The 2097/18 chandelier light will also look magnificent in commercial spaces, particularly hospitality environments.

Please Note: Each of the 18 arms of the 2097/18 holds its own lamp; you can choose between frosted or clear lamps. 20 lamps are provided and included in the price to give you 2 spares.
