PRODUCT DESCRIPTION

Designer: Sir Kenneth Grange

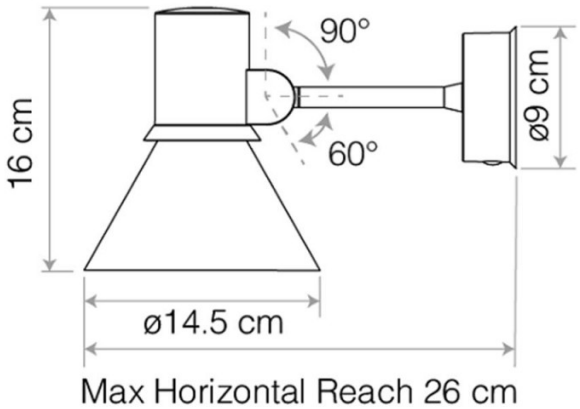

Anglepoise Type 80 W1 Wall Light

Designed by Sir Kenneth Grange, the Anglepoise Type 80 W1 Wall Light features a striking graphic profile. This premium lighting solution combines form with durability, offering an innovative design with a multitude of carefully considered features. Integrated switches and concealed cables keep the Type 80 free of unnecessary clutter for a sleek, minimalist profile. An opening in the conical shade creates a unique halo of light that complements the lamp's decorative aesthetic.

Available in Matte Black, Grey Mist, and Pistachio Green, the Anglepoise Type 80 W1 Wall Light adds a touch of elegance to any interior. The shade can be rotated and tilted for precise directed light. Display on a gallery wall, beside a bed, or in a reading nook for a versatile lighting solution that alternates between functional and ambient lighting as required. The Type 80 W1 Wall Light is available with a cable and plug or as a hardwired version to suit any interior.
