Lodes Kelly Dome Pendant

Designed in 2015 by Andrea Tosetto, the Lodes Kelly Dome Pendant is one of the brand's bestsellers. Made from laser-cut metal, the lampshade casts an intriguing play of light and shadows as light escapes through holes in the bottom half of the dome. A glass diffuser covers the light source for a gentle, glare-free glow.

The Kelly Dome pendant light is available in two elegant finishes: Matte Champagne, and Matte White. These colour options, along with the choice of 3 sizes, allow users to mix and match different variations to create unique compositions. Suitable for a wide range of settings, the Kelly Dome Pendant can be used as a singular light or as part of a series or cluster. It is particularly suited to dining, kitchen, or lounge areas, hanging over a table or workspace.
