PRODUCT DESCRIPTION

Designer: Lodes

Lodes A-Tube Pendant Light

The Lodes A-Tube is a minimalist and contemporary light created by Lodes' in-house team of designers. True to their style, the pendant captures the beauty and craftsmanship of Italian design. The metal, cylindrical lampshade emits a concentrated, direct downward light that resembles a spotlight. The direct lighting can be used to illuminate a surface, either installed as a singular pendant or in multiples to line the length of a long table.

The Lodes A-Tube Pendant is effective in kitchens and dining rooms. In large rooms or commercial spaces, install large clusters at varying heights to create a captivating and unique display. Available in 3 sizes the A-Tube Pendant offers a wide variety of options to create an installation that perfectly suits your interior. Each pendant comes with a Matte White ceiling canopy. **Contact us** to discuss a different colour for your canopy.

The A-Tube pendant is available to buy as a personalised cluster using a Lodes Cluster Canopy. Use the Lodes Configurator to construct your own cluster online.
