Lodes A-Tube Pendant Light

The Lodes A-Tube is a minimalist and contemporary light that is versatile and intriguing. The pendant was created by Lodes' in-house team of designers and, true to their style, captures the beauty and craftsmanship of Italian design. Made from metal, the cylindrical lampshade emits a concentrated, direct downward light that resembles a spotlight. The direct lighting can be used to illuminate a surface, either installed as a singular pendant or in multiples to line the length of a long table.

The Lodes A-Tube Pendant is effective in kitchens and dining rooms. In large rooms or commercial spaces, install large clusters at varying heights to create a captivating and unique display. Available in 3 sizes and two luxurious finishes, Matte Black and Coppery Bronze, the A-Tube Pendant offers a wide variety of options to create an installation that perfectly suits your interior. Each pendant comes with a Matte White ceiling canopy. [Contact us](#) to discuss a different colour for your canopy.

The A-Tube pendant is available to buy as a personalised cluster using a Lodes Cluster Canopy. Please [Lodes Configurator](#) to construct your own cluster online.

PRODUCT SPECIFICATION

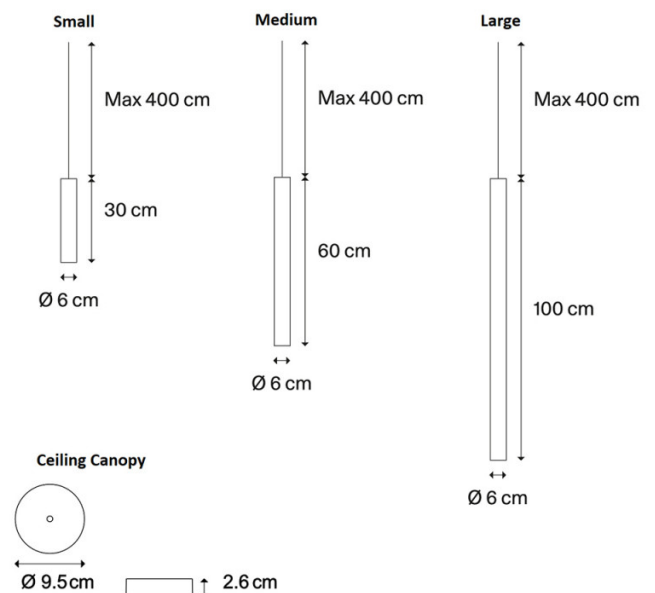

Light Source: 1 x Max 40W GU10 Par 16 (Excluded)**IP Code:** 20**Dimming:** Dimmable via mains phase dimming.
