PRODUCT DESCRIPTION

Designer: Chia-Ying Lee

Lodes Random Pendant

Designed by Chia-Ying Lee, the Random Pendant adds a touch of character and originality to any space. Comprised of three blown-glass diffusers of different sizes, the pendant forms a random, poetic composition that conjures images of delicate, frothy bubbles. These spherical diffusers are available in four finishes: Clear, Glossy Smoke, Frosted White, and Glossy Bronze, all with a white ceiling canopy.

The ornate appearance of the Random Pendant lends the fixture a sculptural presence even when not in use. When illuminated, an integrated 1W LED light in each diffuser emits a soft light for a welcoming ambience. The innate playful nature of the Random offers freedom in composing fun and dynamic displays. Install individually to illuminate a table while providing a delicate elegance to the room, or create vibrant displays by composing clusters of pendants in various finishes.

The Random Pendant is available to buy as a personalised cluster using either a circular or linear Ceiling Canopy by Lodes, allowing you to cluster together up to 36 pendant lights. Please contact us for more details and ordering. A Lodes Configurator is available to construct and preview your cluster vision.

PRODUCT SPECIFICATION

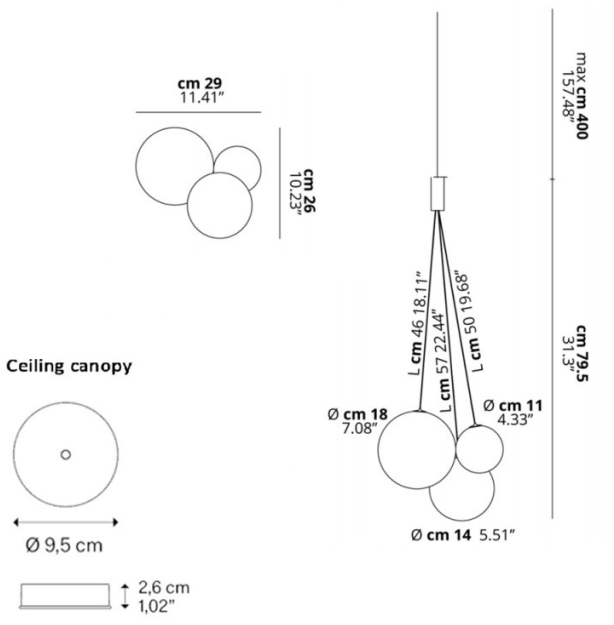

Light Source: 3 x 1W, 2700K, 450 Lumens

IP Code: 20

Dimming: Dimmable via Triac dimming.

Dimensions: Small Sphere: Ø12cm
Medium Sphere: Ø14cm
Large Sphere: Ø18cm
Pendant Height: 79.5cm

Ceiling Canopy: Ø9.5cm
Ceiling Canopy Height: 2.6cm
Max Cable Length: 400cm
