## PRODUCT DESCRIPTION

**Designer:** Josep Lluis Xucla

### Vibia Palo Alto 4516 Exterior Floor Lamp

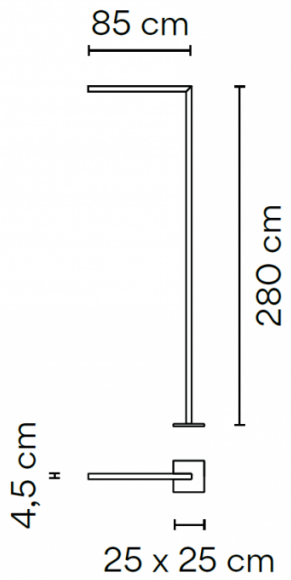

With a refined body and neutral palette colours, the Palo Alto 4516 is a standard exterior floor lamp. Designed by Xucla, who is known to create lights distinguished for their architectonic and streamlined silhouette. The Palo Alto stands at 2.5m height, yet has a minute width of 4.5cm. The exterior floor light is ideal for illuminating a paved path, your garden, a door entrance or any setting outdoors. Palo Alto 4516 is available in two dark colour options, brown or green finish. The choice of these colours allows you to easily integrate the lamps with the landscape.

Equipped with an integrated LED source, the lights emit a downwards diffused light of high efficiency. Whether for residential or commercial use, the Palo Alto 4515 will always lead you where you need to be.

**Driver included**: CV - Constant Voltage 100-277V 50/60Hz
