PRODUCT DESCRIPTION

Designer: Jens Fager

Zero Compose Small Pendant with Glass Shade

Part of Jens Fager's modular Compose collection for Zero, the Small Suspension with Glass Shade brings subtle elegance and refined lighting to residential and commercial interiors. The compact shade, available in clear, green, grey, or matt-white glass, adds a soft visual presence while providing focused downlight—ideal for settings where more intimate, task-oriented lighting is required. The cast aluminium fitting comes in three powder-coated finishes, white, black, and green, each paired with a matching textile cable and an opal or matt clear diffuser to control brightness and glare.

Thanks to its scaled-down proportions, the Compose Small Pendant is particularly suited to kitchen counters, restaurant tables, bar areas, or as part of a clustered installation. The opal diffuser offers a warm, ambient glow, while the matt clear option increases downward brightness, making it adaptable for both decorative and functional use. Whether chosen for its minimalist form or the soft interplay of coloured glass and metal, this pendant enhances a variety of modern and Scandinavian-inspired interiors.

PRODUCT SPECIFICATION

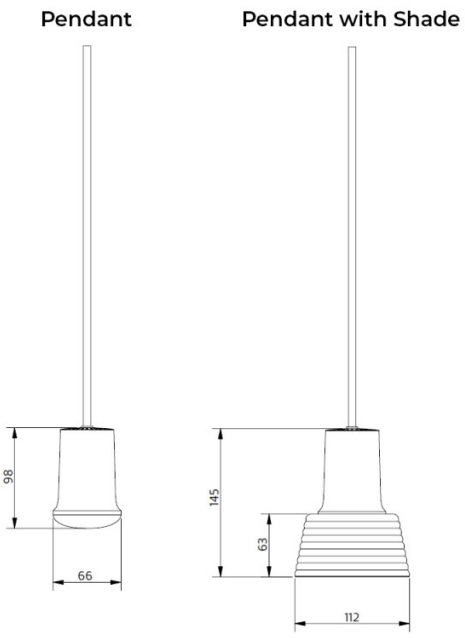

Light Source: 1 x Max 5W LED GU10 (Included)

IP Code: 20

Dimming: Non-dimmable.

Dimensions: Shade: Ø11.2cm
Shade Height: 6.3cm
Full Height: 14.5cm

Cable Length: 240cm
