Bubble Club Table by Kartell

The Bubble Club table is part of the innovative and renowned [Kartell Bubble Club collection](#), a range by the iconic Philippe Starck, exclusively for Kartell. The table is made from plastic, being moulded by forward-thinking technology making it easier and more economical for mass production.

With simple, clean lines, this table has a classic silhouette that reminds us of furniture that have been long established in the world. Updating a traditional design, Starck and Kartell bring a modern audience a unique and contemporary piece of furniture that is entrenched in the family-oriented philosophy that the brand embodies. Suitable for the outdoors, choose from 6 colours to use in many settings both at home and professionally. Designer: Philippe Starck
