Foscarini Tobia Floor Lamp

The Tobia floor lamp is a new product from Foscarini, released in 2019. This floor lamp takes the concept of simplicity and functionality to create a useful, stylish and unique light. The streamlined design makes it suitable for any space and the integrated LED light source has such a strong flow that it can fill big and small spaces alike.

The Tobia floor light is available in 5 vibrant colours which will add a pop and vibrance to the room. The light also comes with a touch dimmer, so you can control the lighting to create the effect you want. The contemporary technology and aesthetic make this floor light not one to miss as it will catch the eye and create a lovely ambience in many settings, whether at home or in a professional interior.
