Kartell Venice Chair

Inspired by the city of Venice, the iconic Philippe Starck has created the Kartell Venice Chair, a wonderful design which can be used both outdoors and indoors. Starck uses the classic lines and silhouettes seen in the chairs in historic Venetian cafes, bringing a traditional design to the modern world using contemporary materials and technology.

Made from polycarbonate with a soft-touch treatment, Venice is long-lasting and sculpted well for maximum comfort. The Kartell Venice Chair can be used in gardens, patios, balconies and even indoors in living rooms and dining rooms to add a chic touch to the space. Choose between 5 bold finishes: Black, Blue, Orange, Burgundy and white, for the perfect match for your exterior or interior.

Please Note: Due to the packaging process, the Venice Chairs must be ordered in pairs.
