PRODUCT DESCRIPTION

Designer: Serge & Robert Cornelissen

Axolight Kwic 36 Floor Lamp

Created by design duo Serge & Robert Cornelissen, the Kwic Floor Lamp is a lively expression of graphic geometry. Serge and Robert Cornelissen's approach to design is characterised by their ability to combine form and function. This is perfectly represented in the lamp's dynamic aesthetic and technical functionality. A blown glass diffuser sits off-centre on an aluminium disk, giving the lamp its asymmetrical aesthetic.

With a lively expression of graphic geometry, the Kwic Floor Lamp is as decorative off as it is when switched on. When illuminated, the opal white diffuser produces a bright, even light, while the aluminium disk is bathed in a warm glow. Its versatile personality suits a range of environments, ideally placed in a sitting room or dining room to create functional lighting with a welcoming ambience. Display individually or with other pieces from the **Kwic Collection** for a cohesive theme throughout the home.

In addition to Intense Black, the Kwic floor lamp is available in 14 bold finishes. Please contact us for more information.

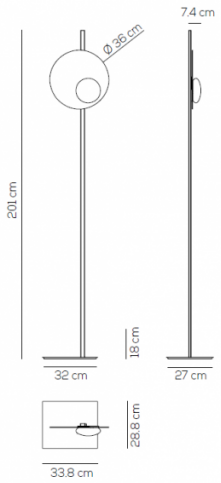

PRODUCT SPECIFICATION

Light Source: 18W, 3000K, 2151 Lumens

IP Code: 20

Dimming: In-line dimmer included on cable.

Dimensions: Height: 201cm
Width: 32cm
Depth: 27cm
Disk: Ø36cm
Base: 33.8cm x 28.8cm
