Urban Mini Ceiling Light by Axolight

Designed by renowned Dima Loginoff for Axolight, the Urban Mini lights has become very popular among the brand's collections. The Urban Mini retains a post-industrial design, with a geometrical simplicity; a fine example of Axolight's interest in archetypal geometric shapes that can transform any interior.

Urban Mini ceiling light is available in three sizes, Urban Mini P (small) and Urban Mini M. As with all Urban light, the mini ceiling lights come in three refined colour options, wrinkled white, matt nickel or matt bronze. The Urban light can be mixed and match, allowing you to create your own cluster of lights or a unique arrangement. Whether for residential contexts or commercial projects, the Urban Mini will add contemporary touch into any space.

The [Urban Collection](#) includes the Urban Mini pendant as well as the larger Urban, with a pendant and a ceiling light.
