Panzeri Tubino LED Ceiling / Wall Light

The Tubino Ceiling/Wall Light by Matteo Thun is a testament to minimalist design and functional versatility. Inspired by the simple form of a torch, the Tubino features a swivelling spotlight that rotates 355° and tilts up to 90°, allowing precise directional lighting. Available in five finishes, white, matt black, champagne, bronze, and titanium, this fixture complements a variety of interior styles.

Ideal for residential and commercial use, the Tubino Ceiling/Wall Light is perfect for hallways, living rooms, or bedrooms where adaptable lighting is needed. Its sleek design and versatile mounting options, including a recessed or standard wall plate, ensure a clean and modern aesthetic that integrates seamlessly into any space.
